Boys Cabins/Girls Cabins (Dorm Style)

We have 2 cabins that each sleep 80 people, one we call our Boys Cabin and the other we call the Girls Cabin. Each cabin is broken up into 4 smaller “pods”. Each “pod” sleeps 20 (ten sets of bunk beds). Every 2 “pods” are joined by 1 large community-style accessible bathroom.

Charlotte Eichold Amphitheatre

Our amphitheatre overlooks beautiful Lake Martin and provides the perfect setting for entertainment, religious services and special events day and night.

Cottle Chapel

Our chapel is a wonderful multi-purpose building for your religious services, additional meeting space and other events. Removable seating and a sound system are a few of the amenities.

Oscar C. Dunn Rotary Environmental Center

Opened in 2004, the Dunn Center is a 7,800 sq. ft. learning facility nestled in a quiet cove along the shoreline of Lake Martin. The center features a theatre, laboratory, hand painted murals, ecosystem displays and 8 large viewing windows.

- **Camp ASCCA offers many different nature programs that are either self-guided or staff guided.**
- **The Gunter-Dixon Theatre features a 15 foot screen with Dolby surround sound, seating up to 100, power point display capabilities as well as DVD and VCR. This is the perfect room for your next meeting or workshop.**
- **The Montgomery Kiwanis Club laboratory – features beautiful pictures of rivers and streams from the southeast. As well as a perfect area to set-up snacks, soft drinks or coffee.**
- **FREE Wireless Internet**
