On April 21, 2020, Camp ASCCA announced for the first time in our 44-year history that we would be suspending our 2020 summer camp program. We arrived at this decision because of our commitment to the safety and well-being of those we serve, as well as our staff.

While we look forward to when our programs resume, we will engage our campers in online activities and through social media.

During this time of uncertainty, Camp ASCCA is certain of these three things (1) Camp ASCCA is and will remain an important part of our campers lives, (2) Camp ASCCA will take all needed measures to get through these difficult financial times, and (3) Camp ASCCA continues to greatly appreciate your ongoing support.

We hope you and your family continue to stay safe and well. On behalf of Camp ASCCA and all those we serve, we want to thank you for your support. Camp ASCCA could not do this without you.

Due to the impact of COVID-19, we’ve taken a virtual approach to our summer events. All of the activities below and many more can be enjoyed online!

This year’s would-be summer staff introduced themselves in a special Youtube video!

Matthew and Madi shared a favorite camp song for everyone to enjoy!

Throughout the summer, we will visit the many programs around camp!

Earlier this spring, we were joined by a few board members and their families as we worked on a few projects and repairs around Camp.

We’d like to say thank you to both the Carlo family (left) and the Roswal family (right) for helping out with these projects!

Thank you!

BOARD MEMBERS HELPING OUT AT CAMP ASCCA

Earlier this spring, we were joined by a few board members and their families as we worked on a few projects and repairs around Camp.

We’d like to say thank you to both the Carlo family (left) and the Roswal family (right) for helping out with these projects!
In the spring, Camp ASCCA experienced storm damage due to straight-line winds. Two private residences experienced damage along with minor damage to several program areas. Many trees were also knocked down due to the storm. The total cost of repairs was under $50,000.

Thank you to the Alabama Elks Association and the Montgomery Sunrise Club for their assistance covering the cost of the repairs. We cannot thank you all enough for your kindness during this unexpected time!
Thank you to the many individuals and organizations who have decided to donate their sponsorships or summer fees to support Camp ASCCA during this time!

Thank you to those who responded to our April letter asking for support during these times.
