A FIVE-STAR REVIEW ONLINE! It’s because of reviews like this one that make us anxious for summer camp to begin. Summer means day after day of big smiles, contagious laughs, many firsts, and lifelong friendships.

“My husband took our son there last spring. It was AMAZING! He did things I never dreamed he could do like zip lining, tubing and going down the water slide. The videos brought tears of joy to my eyes. They are patient with each child’s individual needs and the results are stunning! If you ever have the chance then go to this camp.”
