## Vision

SPRING | 2014

### Faced with opportunities to “raise the bar”...

**Camp ASCCA has long been recognized as a leader in providing outdoor recreation opportunities for individuals with disabilities.**

As Camp ASCCA enters its 38th year of service to children and adults with disabilities, we find ourselves faced with an opportunity to once again “raise the bar”.

Our program and facility is one of the best in the country. Our campers look forward to coming back to Camp year after year. Our mission remains very viable.

The Board of Directors and staff understand the responsibility they have not only insuring the future of Camp ASCCA, but also insuring its continual improvement. We feel that the thousands of people that come to camp every year deserve nothing but the best experience possible.

This past year we were able to continue progress with our renovation work. Two more lodges are now ready to provide service for decades to come.

Our program staff members have worked to find even more opportunities for fun for our campers. By the time their first campers arrive, our 2014 summer staff will understand their role in helping raise the bar on the Camp ASCCA experience.

We thank you in your support of Camp ASCCA. Your support has allowed us to continue to get better at what we do best!

## Fun Fish Weekend 2014!

For the weekend of March 21-23, 30 campers attended along with a great mix of Camp ASCCA counselors and program staff. Additionally, we had 18 college students who volunteered their time as counselors and fishing buddies. The volunteers we call our "boaters" are very important to our campers and the weekend as a whole. We hosted nine boaters for the weekend. These men and women bring their fishing gear and boats and host campers on their boats and on the docks, helping them to catch fish!

## Spring groups keep Camp ASCCA busy until summer camp sessions!

**We serve groups that serve people with and without disabilities all year long. We have so much to offer!**

Besides hosting our very own annual Fun Fish Weekend, Camp ASCCA serves as host to a variety of groups during the spring months. There are many overnight and day science camps for elementary school children from throughout Alabama. You'll also see a few service club-oriented camps like the Rotary District

[The Living Streams program with St. James Science Camp.](#)

6880's RYLA youth leadership weekend as well as the Kiwanis Key Leader camp. Mission-related groups also host weekend camps including Shepherd

Center's Adventure Skills Workshop and new this year, the Alabama District Pilot's TBI (traumatic brain injury) Camp! The Pilots teamed up with Alabama Head Injury Foundation to provide a weekend of camp fun. Visit [www.flickr.com/photos/campascca](http://www.flickr.com/photos/campascca) for tons of photos of these groups! Or visit us on Facebook!

# Holiday Giving Campaign

## A huge success story, thanks to our staff!

**An alumni "Holiday Support" giving campaign raised over \$14,600 for camperships!**

This past December, 30 alumni summer staff members and a few current full-time staff members joined together for an online giving campaign to raise money for camperships. Each member set a goal, many chose \$725, and used a template to create a personalized giving page. He or she then sent the link out to friends, colleagues, family members, and acquaintances and ask people to help send a camper with a disability to summer camp at Camp ASCCA. Participants also did a fantastic job in incorporating social media to further their fundraising goal!

Anna Catherine with one of her campers last summer.

**Total amount raised: \$14,655**  
**Total number of donations: 178**  
**Amount raised online: \$13,105**  
**Amount raised check/cash/Paypal: \$1,550**

**Largest % of goal raised:**  
**257% - \$1,860 by Anna Catherine Gurosky**

**Largest amount raised:**  
**\$2,070 by Matt Rickman**

## Donor Spotlight...

We rely on many organizations and groups that donate to Camp ASCCA each year. Here is a look at two!

### The Heart of Dixie Chevelle Club

A family-oriented club for anyone who is interested in Chevelles 1964 through 1972. They donate campership money each year!

### The Central Baldwin Sunset & Fairhope Sunset Rotary Clubs

Organized a cornhole tourney and silent auction to raise \$3,000 for camperships!

## Updates continue for Marc Roberts Lodge

Work has continued this winter on the Marc Roberts Lodge. The eight bedrooms and eight bathrooms have undergone major refurbishments. Flooring throughout has also been replaced (this is in addition to previous renovations to the rest of the building). This has been a MAJOR project this season and we're looking forward to painting the exterior and landscaping the surround grounds this spring.

Supporters of this project include the Alabama Elks Assoc., the Solon & Martha Dixon Fdn., Alabama District Pilots, and the Montgomery Kiwanis Club.

## 2013 Camp ASCCA Annual Report

**4,608 people served  
in 2013 and includes  
3,935 camper days.**

### Camper Day -

One camper visit for five days equals five camper days of service.

In addition to our own camps and services for people with disabilities, community partners help make the mission of Camp ASCCA successful. Camp ASCCA is open year-round and is available to groups serving people of all abilities.

With your help, Camp ASCCA was able to provide over \$230,000 in financial services to campers with disabilities attending summer camp sessions in 2013.
