

Easterseals Camp ASCCA

Building Descriptions

Oscar C. Dunn Rotary Environmental Center

Opened in 2004, the Dunn Center is 7,800 sq. ft. learning facility nestled in a quiet cove along the shoreline of Lake Martin. The center features a theatre, hand painted murals, ecosystem displays and 8 large viewing windows.

- Camp ASCCA offers many different nature programs that are either self-guided or staff guided.
- The Gunter-Dixon Theatre features a 15-foot screen with Dolby surround sound, seating up to 100, power point display capabilities as well as DVD and VCR. This is the perfect room for your next meeting or workshop.
- A small meeting room is available for set up of snacks and drinks.
