Here Comes the Sun

Camp ASCCA's 47th summer will begin in the blink of an eye. We cannot wait for our campgrounds to be full of campers, staff, concerts, endless joy, and more. Year after year, we try to make each summer better than the last, and our staff has worked diligently to ensure that is the case.

Our program staff arrived for training on May 30th, and after a week of orientation, they hit the ground running with programs for Camp Seale Harris. They have set the bar high for our summer season, and we are so excited to dive into all things Camp ASCCA.

Counselors arrived for orientation on June 13th and have learned so much. Their training has included but is not limited to transfers, feeding, program rules/operations, team building exercises, and so much more.

During our off-season, we are always trying to better Camp ASCCA and make it the best it can be. This past year, we were able to update the entrance in front of two cabins, paint multiple areas, and update our beloved OutPost. We are counting down the days until our campers arrive, and our staff is eager to meet the people that make Camp ASCCA what it is.

Summer 2023 we are so ready for you. Bring on the campers!

Hall Foundation 2023

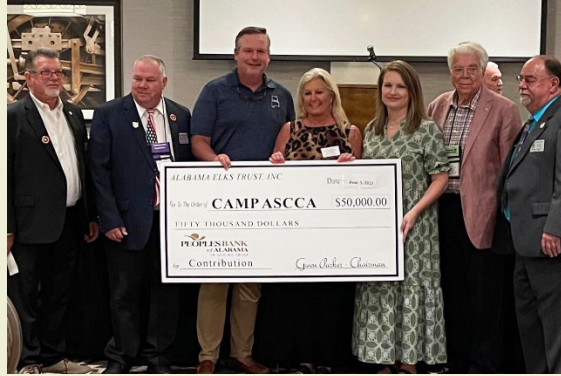

The Charles & Isabel Hall Foundation annually supports a weeklong camp experience for the therapeutic recreation participants from Dothan, Montgomery, and Muscle Shoals Park and Recreation Departments. Students from the University of North Alabama join participants this week for both class credit and hands-on experience. The Hall Foundation is always the perfect way to start our summer season. We are already looking forward to next year.

Thank you Elks!

ALABAMA ELKS ASSOCIATION CONVENTION 2023

Camp ASCCA's Administrator John, and Director of Marketing Communications Dana, had the opportunity to attend Alabama's Elks Association's 101st annual convention. This event was held on the weekend of June 3rd in Decatur, AL. The Alabama Elks Trust officers, including the Trust President Gwen Parker, presented Camp ASCCA with their 2023 gift of \$50,000 for capital projects. The statewide Camp ASCCA Liaison for Elks, Mike Thrasher, updated the attendees with Camp ASCCA news. Mike is also a Camp ASCCA board member and past Elks State President. Mike encouraged everyone to attend Elks Day at Camp ASCCA on August 5th. We appreciate the current State President Lester Collins and all the Elks for their countless years of support.

Camp ASCCA Updates

During this past off-season we made a few updates around our campgrounds. We always want to give our campers the very best, and make Camp better year after year. We were able give the OutPost an update by shifting the stage for an open-air concept and not only moving the ramp, but making it bigger as well. Marc Roberts Lodge has a new and more accesible entrance, and plumbing upgrades. Lions Rotary Lodge got new foundation and basement repairs. The Bck4T also got new flooring!

Dining Hall Chair Fundraiser

In an attempt to revamp our Dining Hall, we are looking to replace our chairs. The cost of sponsoring a chair is \$55, and we are so close to meeting our goal of 250. These chairs have been used at the OutPost and Bck4T for year and have held up great both indoors and outdoors. They are durable plastic, easy to clean, lightweight, portable, and stackable. If you would like to sponsor a chair visit: www.campascca.org
